

*"PROMOTING THE CONSTRUCTION INDUSTRY TO AMERICA'S YOUTH"*

The Colorado Construction Career Day of Southern Colorado and the construction industry are preparing to host high school students from the southern Colorado area at the 2010 Colorado Construction Career Day event on September 23, 2010. Both volunteers and financial sponsors are needed to provide activities, equipment to meet our expected costs to host this unique, fun and hands on exploration of careers in the construction industry.

We are encouraging all industries to support this event which gives students the opportunity to explore careers in construction. We are in need of sponsorships to meet our expected budget for expenses. The expense budget is used to provide transportation for schools lacking funds for buses, student lunches, student safety equipment such as hard hats, glasses, safety vests, promotional costs and much more.

Look over the attached sheet to review the sponsorships and use the form below to send us your sponsorship information. We appreciate the support you have given us in the past for Colorado Construction Careers Day. It has made an impact on students, administrators, legislators, and even our own industry. With your help and sponsorship, the 2010 Colorado Construction Career Day of Southern Colorado will continue sending the message to students that the construction industry has many career choices. If you have any questions or need more information, contact Connie Stevenson at (719) 651-4104 or [cstevenson54@hotmail.com](mailto:cstevenson54@hotmail.com) or Cyndi Wheatley at (719) 380-8504 or [cyndi.wheatley@tabconst.com](mailto:cyndi.wheatley@tabconst.com)
